

**Alzheimer's Association  
International Conference on  
Alzheimer's Disease 2011**July 16-21  
Paris, France**Less than two weeks to submit your ICAD abstract.**

February 1 is rapidly approaching! There are less than two weeks to [submit your abstract](#) for the [Alzheimer's Association International Conference on Alzheimer's Disease 2011](#) (AAICAD) [Start now.](#)

At AAICAD, sharing your work can open the door to future career opportunities. [Gael Chételat](#), Ph.D, has been working for more than 10 years on normal and pathological aging, especially on Alzheimer's disease, using different neuroimaging techniques. She currently is responsible for a research team in the Inserm Unit U923 at the Cycleron PET Center in Caen, France.

Dr. Chételat began her AAICAD experience in 2006, when she presented a poster at the [Alzheimer's Imaging Consortium](#) (AIC) preconference. In 2008, she gave an oral presentation at the AIC; she followed with an AAICAD oral presentation in 2009 and both a poster and oral presentation at the AIC in 2010. At AAICAD 2011, she will present to all attendees in a morning plenary session.

[Submit an abstract now](#) to share your work and start on a track toward future success.

For more information about AAICAD 2011, please visit [the AAICAD website](#).

*AAICAD is jointly sponsored by the Postgraduate Institute for Medicine and the Alzheimer's Association. Scientific sessions are not supported by any commercial entity.*
