

## Planning for an Aging Workforce in MA A Forum for Businesses & Workforce Professionals

This forum will focus on issues associated with labor supply challenges resulting from an aging workforce in Massachusetts. Key findings from two new older worker publications – *The Increased Presence of Older Workers in the Massachusetts Labor Market: Implications for Workforce Development Policies, Workplace Accommodation, and Universal Design and Retaining Older Workers: Practical Strategies for Workforce Development Leaders* – will be presented.

Two panels –one from the business perspective and one from the workforce development perspective– will share challenges and approaches to managing issues related to an aging workforce.
