2011 Agenda

- A half-day basic track for those new to Medicare and those wanting a refresher
- Basic information and detailed casework – tailored to your needs
- Medicare training materials and information that are current, accurate, and consistent
- Opportunities to network with CMS staff and other partners who share your commitment
- Subject matter experts
- 2011 CD Suite/USB wafer card – with the training modules, videos, resource guide and more!

What's New?

- Casework – you told us and we listened! You can now submit questions you want answered at your workshop. Look for the block provided at the bottom of the registration form. We will answer the questions of greatest interest to all, and still take questions from the floor.
