

## **CVS/pharmacy and NCOA**

**through the National Institute of Senior Centers will host the  
third annual "2010 Prescription for Better Health" award competition.**

These awards will honor senior centers for the outstanding work they do in promoting a healthy lifestyle for seniors through their offerings of senior center health programming and through the Pack Your Bag Programs.

Read more below about these awards and **[apply online today through November 30th.](#)**

### **I. Prescription for Better Health - Innovative & Promising Practices Category**

Describe an innovative, promising practice or well-being program being offered at your center and how it could be replicated. The winner will receive a \$1,500 cash prize to the senior center and up to \$1,400 in travel expenses for attendance at the annual NCOA-ASA conference in Chicago, March 15-19, 2010. Four honorable mentions will receive \$250 cash prize.

### **II. Prescription for Better Health - Pack Your Bag Category**

Describe a success story, humorous anecdote, special relationship with your CVS pharmacist, or compelling result associated with the Pack Your Bag Program. Bring the Pack Your Bag program to life for others to understand the value that you get from it. Examples include particularly valuable learning from the educational presentations, compelling results from the individual one-on-one medication consultations, or a special connection formed with your local CVS pharmacist that goes above and beyond the standard program. (Limited to sites that have participated in the Pack Your Bag program.) One winner, \$1,500 prize
