New Fact Sheets on the Income Tax, Sales Tax, Gas Tax, Local Options Taxes, and Examining Tax Fairness

April 2, 2009

BOSTON — The Massachusetts Budget and Policy Center today released a series of fact sheets on the state's tax system.

The fact sheets, each of which runs no more than two pages, include background on the state income tax, the sales tax, the gas tax, local options taxes, and examining tax fairness. They are designed to supplement MassBudget's [*Understanding Our Tax System: A Primer for Active Citizens.*](#)

The fact sheets can be found at www.massbudget.org or by clicking on these titles: [The Income Tax](#); [The Sales Tax](#); [The Gas Tax](#); [Local Options Taxes](#); [Examining Tax Fairness](#).

The Massachusetts Budget and Policy Center (MassBudget) provides independent research and analysis of state budget and tax policies, as well as economic issues, that affect low- and moderate-income people in Massachusetts.
