

**National Center for Benefits Outreach and Enrollment RFP deadline is Dec. 22
For Immediate Release:**

NCOA's **National Center for Benefits Outreach and Enrollment** is seeking local or state organizations that are interested in **finding and enrolling both seniors and younger beneficiaries** with disabilities who have **limited income and resources** in public benefit programs. The Center seeks to fund 10 grants of up to \$100,000 each for the implementation of Benefits Enrollment Centers (BECs) that use person-centered strategies in a coordinated, community-wide approach.

This grant program, funded by the **U.S. Administration on Aging**, seeks to strengthen local infrastructure and make the enrollment process as seamless as possible for consumers and their families. **Letters of intent** are requested by **Nov. 24**, and **applications are due Dec. 22**. There will be **two conference calls** to address questions about the grant program on **Nov. 17 and 20**. Further details can be found in the [Request for Proposals](#).

The National Center for Benefits Outreach and Enrollment is managed by the National Council on Aging. For more information on the Center, please visit www.CenterforBenefits.org.
