The Massachusetts Council on Compulsive Gambling is conducting a free, one-hour webinar for clinicians. It will discuss some of the basic questions, tools and techniques to intervene with gambling disordered clients regarding their financial concerns.

Participants will be able to: identify the finance-related screens that should be administered to address immediate financial concerns, discover the clinical/financial tools available to offer as resources to clients, and assist clients with longer financial management, without acting as his/her attorney or financial planner.

1 CEU will be offered for this Webinar.
