EDUCATIONAL PRESENTATION

Montessori-based Activity Programming (MAP)[™] for Persons Living with Dementia

Residents Participating in MAP[™] Programming

Thursday, April 21st

8:30—9:00 am Light Breakfast ♦ 9:00—10:00 am Presentation

Location: New Horizons Retirement Community
21 Warren Avenue, Woburn, MA

Presenter: Sharon Johnson, Hearthstone Alzheimer Care

This presentation will focus on Hearthstone's *I'm Still Here*[™] Montessori-Based Activity Programming (MAP)[™], an innovative method of working with persons living with cognitive impairments based on the educational philosophies of famed childhood educator, Maria Montessori. This methodology has been researched for over 15 years by Dr. Cameron Camp, and has been shown to significantly increase levels of engagement, participation, satisfaction, success and quality of life for persons living with dementia.

It will be beneficial for anyone working with seniors experiencing cognitive challenges including nurses, psychiatric nurses, social workers, geriatric care managers, adult day care center staff and other professionals.

Admission is free, but seating is limited, please RSVP to Melissa McCarthy at 617-335-3949 or Mccarthy@thehearth.org

If you are a professional social worker or nurse, you are eligible to receive Continuing Education contact hours for attending this program. It has been assigned approval code 89ZLFR-10.

This continuing nursing education activity has been approved by an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.
