

# CMS Webinar Series

## Understanding Medicare

The National Medicare Training Program is pleased to announce the next Understanding Medicare webinar will be held on March 6 and 7, 2012.

This webinar, which is designed for people who are new to Medicare, and for people wanting a refresher, will provide current, accurate, consistent information on Medicare, including hospital (Part A) coverage, medical (Part B) coverage, Medicare Advantage plans (Part C), and prescription drug (Part D) coverage.

The Centers for Medicare & Medicaid Services (CMS) is authorized by the International Association for Continuing Education and Training (IACET) to offer 0.4 Continuing Education Units (CEU) for this program.

To receive CEU credit participants must:

- Complete the pre-assessment
- Attend all four hours of the training
- Complete the course registration and evaluation
- Complete the post-test with an aggregate score of at least 70%.

Please visit the [National Medicare Training Program Web-based Training page](#) for accreditation statements, author biographies, and disclosure information. CEU credit for this course expires December 15, 2013.

### Registration

Click the link below to register.

<https://webinar.cms.hhs.gov/e88971752/event/registration.html>

Please complete the registration form and select a password that is 8 characters long and contains one capital letter and a numeric digit. If you have previously attended a webinar with us please select "[click here](#)" at the top of the page. You will be redirected and asked to enter your login (your email address) and password. If you do not remember your password, please click "Forgot your password?"

You will receive an e-mail confirming your registration and providing the link to the webinar pre-assessment. Space is limited, and only approved participants will receive instructions on how to register.

The pre-assessment **must be completed** prior to the start of the webinar. You will not be able to participate in the webinar if you have not completed the pre-assessment.
