MCOA Briefs: For our Members — Mass. Equipment Distribution Program

I am writing to you on behalf of the Massachusetts Equipment Distribution Program (MassEDP), a division of the State 911 Department. We are contacting Council on Aging centers throughout the state to help disseminate information about our program.

MassEDP provides adaptive telephone equipment to people who have difficulty using the telephone due issues such as hearing loss or vision loss. This enables them to have the opportunity to enjoy clear, independent phone communications and the ability to contact 911 in the event of an emergency. The specialized telephone equipment is offered to people with a permanent disability for little or no cost, depending on income level. These disabilities include: deaf/hard of hearing, blind/low vision, motion, cognitive, and speech.

There are three eligibility requirements:

1. Residency in Massachusetts
2. Permanent disability that can be verified by a MA physician
3. Residential phone service

There are several different types of equipment, each offering special benefits based on disability. MassEDP Field Advisors are available for on-site presentations at your facility. For more information and a complete list of equipment, please visit www.massEDP.com or call 1-800-300-5658.

In addition, if you are interested in having one of our Field Service Advisors come to your facility and speak to your clients about this program please contact me at Noelle.merchant@state.ma.us or 508-821-7205.

Thank you, Noelle Merchant, Public Education Coordinator, State 911 Department, 1380 Bay Street, Building B, Taunton, MA 02780 — Phone: 508-828-2911 — Direct: 508-821-7205 — Fax: 508-828-2585 — www.mass.gov/e911 1/29

MCOA Briefs: For our Members — The Census and Grants

The federal census bureau will shortly be engaged in an extensive outreach program to promote (and maximize) participation in the upcoming decennial federal census.

The first link, below, is a two page summary that provides the basic "who, what, when, where, why and how" of the upcoming census and includes FAQs and information about obtaining assistance materials (in 59 languages!) as well as support for those with visual impairments and the deaf and hard-of-hearing.

http://2010.census.gov/partners/pdf/factSheet_Older.pdf

The toolkit — see link below — contains more information about the census and promotes partnerships with the census bureau to maximize the completion of the census surveys.

(There are large display "awareness posters" noted on page #14.)

http://2010.census.gov/partners/pdf/toolkit_Older_Overview.pdf

As you know, a considerable amount of grant funding relies on the census and it is certainly in our (collective) best interest to make sure that every senior counts and is counted!

Emmett H. Schmarsow, Program Manager for Councils on Aging and Senior Centers, Executive Office of Elder Affairs, 1 Ashburton Place, 5th Fl., Boston MA 02108 — (800) 698-9723 — (617) 222-7471 — (617) 727-9368 (fax) — emmett.schmarsow@state.ma.us 1/15

IS IT TIME TO RENEW YOUR MCOA CERTIFICATION?

Those Directors and Program Managers certified by MCOA in the fall of 2006 or earlier must apply for renewal of their certification by June 2011. In order to renew, Directors must have accumulated 75

CECs between 2006 and June 2011. Program Managers must have accumulated 50 CECs during the same time period. You may submit CECs as you go to Pat Roberts, Marblehead COA, or all at once with your request for renewal. If you need more information about CECs, go to www.mcoaonline.com, and click on Staff Certification on the left. Click on FY10 MCOA Recertification Standards.

You must request renewal of your certification, in writing, to MCOA, 116 Pleasant St, Suite 306, Easthampton MA 01027-2781. Your letter should indicate that you are currently employed as a COA Director (or Program manager) and where. A check of \$50 must accompany your request.

Those certified after the fall of 2006, will need renewal of their certification five years following their initial certification (example, certification in 2007, renewal is due in 2012).

Pat Roberts, Staff Certification Vice-Chair, Marblehead Council on Aging, 10 Humphrey Street, Marblehead MA 01945 — 781-631-6737 — 781-639-3431 — robertsp@marblehead.org

MCOA Briefs: For our Members — Home Oxygen Safety Task Force

On January 21, 2010, State Fire Marshal Coan and the Home Oxygen Safety Task Force launched a home oxygen safety campaign at Mass. General Hospital with Drs Colleen Ryan (burn surgeon) and Paul Currier (pulmonary physician) and Jean Mizer, a cessation counselor.

On behalf of State Fire Marshal Coan, I want to thank the members of the task force for coming out and supporting the event, but more importantly for all your hard work to develop this campaign. It has taken a long time to get to this point and we thank you for your commitment.

While only one media outlet covered the event, we did get a great article and photo in the Globe that shows it is a fire and medical issue. Here is the link.

http://www.boston.com/news/local/massachusetts/articles/2010/01/22/effort_combats_fires_fed_by_home_oxygen/

The public service announcements on television (Ch 5) and radio (WODS and WHYN) will start airing today and run a few days each week through June. The brochure is available for download on our webpage at www.mass.gov/dfs, click on Fire Safety Topics and then Home Oxygen Safety.

Thanks again for your continued support as we move forward on this campaign. We have tentatively scheduled our next task force meeting for Thursday, March 25th, 10:00am at the Department of Fire Services. The press release that went out about the campaign —

Upcoming Events

MCOA Briefs: Upcoming Events — 5 “Americorps 101” Workshops

With the passage of the Edward M. Kennedy Serve America Act, there is enormous potential growth for AmeriCorps across the country and in Massachusetts. In response to this increased focus on National Service, the Massachusetts Service Alliance (MSA) will present an AmeriCorps 101 session in different regions of the state. The dates and locations are reprinted for you immediately below.

Registration is required at least 5 days prior to the scheduled training date. To register for a training, contact Kristen Nelson, Administrative Coordinator at 617-542-2544 ext 221 or via e-mail at knelson@mass-service.org. In your email registration, please include your name, organization, contact information, session location and the number of people attending.

Date	Time	Facility	Location
February 2	9:30am - 11:30am	Lawrence Public Library	Meeting Room 51 Lawrence St., Lawrence
February 3	9:30am - 11:30am	Stoughton Public Library	Wales French Mtg Room 84 Park St., Stoughton
February 4	1:30pm - 3:30pm	Worcester Public Library	Banx Rm, Main Library 3 Salem Square, Worcester
February 9	9:30am - 11:30am	Springfield City Library	Community Room 220 State St., Springfield
February 11	2:00pm - 4:00pm	Wainwright Bank	Community Rm, Lower Level, 63 Franklin St., Boston

Mary Kay Browne, Senior Project Director, Commonwealth Medicine/UMMS, Executive Office of Elder Affairs, 1 Ashburton Place, 5th floor, Boston, MA 02108 — 617-222-7435 — Mary.K.Browne@state.ma.us

MCOA Briefs: Upcoming Events — Workshop, Planning for the End of Life

February 17, 2010, 9:30am to 2:00 pm

Public Health Council Room, 250 Washington Street, Boston, MA

Public health professionals are in key positions to address important issues related to planning for the end of life. While death is inevitable, much can be done to alleviate needless suffering and the challenges of last-minute decision-making that often accompany the end of life. Improved consumer understanding fostered by interaction with informed public health professionals can lead to better informed decision-making, improved quality of care, and more appropriate use of available resources related to end-of-life planning.

This workshop will follow the curriculum, Improving End-of-life Awareness and Planning: a Public Health & Aging Services Matter, developed by the Center for Practical Bioethics. Myra Christopher, a nationally-recognized expert on end-of-life planning, will conduct the workshop. Our goal is to provide public health professionals with a better understanding of the important role they can play in ensuring that the individuals they serve die with dignity and with their end of life preferences upheld to the greatest possible extent.

This curriculum will provide information on the importance and practical aspects of advance care planning, the benefits palliative and hospice care have to offer, and the management of chronic and terminal pain. Attendees will receive a binder with pertinent information.

A light breakfast and lunch will be provided. **Please register by February 3, 2010** by emailing Linn.Morrill@state.ma.us. **Attendance is limited to 25** so please reserve your space early.

Sponsored by the Directors of Health Promotion and Education (DHPE) & Healthy Aging Program of the Centers for Disease Control and Prevention (CDC).

For Our Members

STATE CAPITOL BRIEFS – WEDNESDAY, JAN. 6, 2010

STATE HOUSE NEWS SERVICE

PATRICK RAISES REVENUE ESTIMATE BY \$181 MILLION, RESTORES SPENDING

While tax collections are still declining in some key categories, receipts have exceeded the state's downgraded estimates by \$230 million since October and Gov. Deval Patrick said Wednesday his administration is now boosting the state's revenue estimate for the current year by \$181 million to "fund the restorations announced today, previous restorations and other spending already accounted for." Halfway through the fiscal year, tax receipts have fallen 3.8 percent below last year, down \$348 million, but revenue totals now sit \$230 million above

the benchmarks that were lowered in October. Hours after the revenue reports, Patrick announced he would restore \$14 million to a public welfare program and \$18 million for regional school transportation services. Six weeks ago, Patrick was urging lawmakers to return to session to address what he called unresolved budget deficits. But the administration is now touting spending restorations and "positive signs of revenue growth," as Patrick budget chief Jay Gonzalez framed it Wednesday. State tax collections beat expectations by \$194 million in December and grew \$22 million from December 2008, according to new data released Wednesday. Department of Revenue officials said the increase was due to onetime corporate settlements, and "better-than-projected" income tax and estate tax collections. Revenue officials say settlement payments in December exceeded \$120 million. Estate tax payments in December beat benchmarks by \$15 million. December withholding collections were down \$37 million or 4.4 percent, and are down 3.9 percent over the first half of fiscal 2010. Sales tax receipts shot up 23.4 percent in December due entirely to tax increases, without which sales tax collections would have been down 3.9 percent for the month. Year-to-date corporate and business tax collections are up 0.1 percent.

MCOA Briefs: For our Members — New England Centenarian Study

Good afternoon! My name is Amy Reid. I am a research assistant at the New England Centenarian Study at the Boston University Medical Center. We are the largest study of people in this age group and our study has been going on for 15 years!

We are always trying to contact potential participants to aid us in our goal of understanding exceptional longevity and healthy aging. I want to inquire about getting a voter registry list for people age 105 or older so that we can mail them information about our study. There may not be many, but any additional people we could reach out to would be very helpful. If you're able to help us with this request, we'd greatly appreciate it! Please let me know if you have any questions.

Most Sincerely, Amy Reid Research Assistant New England Centenarian Study
88 E Newton St, Robinson 2400, Boston University Medical Center, Boston MA 02118

MCOA Briefs: For our Members — Health Behaviors of Older Adults 65+

Dear Senior Center Program Staff Member or Director,

You are invited to participate in an online survey about the health behaviors of older adults 65+. This survey is open to senior center program staff and directors and to resident service coordinators in senior housing. Survey participants are eligible for an optional drawing for one of four \$50 gift cards. If you choose to participate, the survey takes about 15-20 minutes.

I am a graduate student in the Clinical Psychology program at the University of Rhode Island. This research study for my doctoral dissertation will provide more information about the opinions of people like you regarding health behaviors relevant to older adult clients/residents.

You can click on the following link if you're interested in participating:

<https://www.surveymonkey.com/s/N2GN9GN>

Thank you for considering participation. Please contact me if you have any questions.

Sincerely, Crystelle Egan, MA caegan@mail.uri.edu

Member Inquiries

MCOA Briefs: Member Inquiry — Sample Contract/MOU for Meal Delivery?

I am looking for a sample contract/MOU that a council on aging has in place with a handicap provider who will be delivering meals. If you are willing to fax it to me at 508-222-2581, or email me at coa@cityofattleboro.us I would be most grateful.

Madeleine McNielly, Director, Attleboro COA 508-223-2235

MCOA Briefs: Member Inquiry — Levels of Membership for Friends?

Do any Friends groups have different levels of membership? If so, would you please email me the levels and corresponding amounts for membership. Also, what does the “member” receive as a result of being a member at each level? Does your Friends group have an auditor go over your finances?

Thanks so much. — P: 978-251-0533 — F: 978-251-3794

Diana Ryder, Director, Chelmsford Elder Services, 75 Groton Road, N. Chelmsford, MA 01863

Job Opportunities

MCOA Briefs: Job Opportunity — Town of Needham PT Outreach Worker

The Town of Needham is seeking a highly qualified individual to fill the position of Outreach Worker. Under the direction of the Executive Director and Social Worker, assist senior citizens and their families, with an emphasis on assisting the frail, isolated or disabled seniors and their caregivers, in understanding, coping with and resolving problems. Provide information and referral, statistical tracking on service provided and assist with senior grocery shopping program.

Position requires advanced theoretical or technical knowledge of gerontology and human services equivalent to a bachelor’s degree in a related field, such as gerontology, human services, and/or counseling. Computer literacy required. Competency in word processing and statistical tracking preferred.

This is an 18-hour position with no benefits and town/grant funded. The salary range is \$19.85-\$25.93 per hour.

Please e-mail your letter of introduction and resume to hr@needhamma.gov, or mail it to Elizabeth A. Dennis, Director of Human Resources, Town of Needham, 1471 Highland Avenue, Needham, MA 02492, or fax to 781-455-0165. **Applications will be accepted until Friday, January 15, 2010 or until a suitable candidate has been selected.** The Town of Needham is an EOE.

1/8

MCOA Briefs: Job Opportunity — Town of Plymouth – Elder Affairs Director

The Town of Plymouth (pop. 58,000) seeks qualified applicants for position of Elder Affairs Director. Responsible for professional, administrative and supervisory work in developing and implementing programs, in an effort to meet the social and emotional needs of the Town’s elderly and provides support to the Board of Directors of the Council. Responsibilities also include preparing and managing budget and grant writing. Supervises, directs and coordinates the duties of all staff members and numerous volunteers, assigns work activities, conducts annual employee evaluations and recommends personnel actions. Bachelor’s Degree in a relevant field of social science; three years of progressively responsible experience in group adult programs; supervisory experience strongly preferred; or an equivalent combination of education and experience. Must be a Licensed Social Worker. Must have ability to develop effective and constructive working relationships with Town, State and Federal officials, the elderly, service providers and the general public.

Salary range \$52,872.07 - \$64,899.13, full benefit package, 37.5 hrs. per week.

Position open until suitable candidate chosen. Please send cover letter and resume to Town of Plymouth, Human Resources, 11 Lincoln Street, Plymouth MA 02360. AA/EOE

12/18

MCOA Briefs: Job Opportunity — Town of West Springfield Executive Director

The Town of West Springfield (approx. population 28,000) seeks qualified applicants for the position of Executive Director. Reporting to the Mayor, this individual will be responsible for providing social programs and delivery of services by administering and supervising all operations and activities to meet the social and nutritional needs of senior citizens of the community.

Candidates must possess a Bachelor's degree, preferably with a concentration in gerontology or social services with five years of related experience; Master's degree preferred; demonstrated communication skills, with the ability to maintain confidentiality; proficiency in personal computer applications, grant writing and most importantly an individual who has energy, enthusiasm and is a friendly senior citizen-oriented individual able to work effectively with a diverse population.

To apply, please send resume to: Director of Human Resources, J. Edward Christian Municipal Office Building, 26 Central Street, Suite 6, West Springfield, MA 01089.

Review of resumes will commence immediately and continue until a suitable candidate is selected.

The Town of West Springfield is an affirmative action/equal opportunity employer and is strongly and actively committed to diversity within its community. 12/11

11/27

MCOA Briefs: For our Members — Older Adult Drivers: CDC Fact Sheet

In 2008, there were 31 million licensed drivers ages 65 and older in the United States. Motor vehicles allow older adults to maintain mobility; but as adults 65 years and older age, so does their risk of being injured or killed in a motor vehicle crash. More than 500 older adults are injured every day as occupants of motor vehicles. Thankfully, there are steps that older adults can take to stay safer on the roads.

- Per mile traveled, fatal crash rates increase starting at age 75 and increase notably after age 80. This is largely due to increased susceptibility to injury, particularly chest injuries, and medical complications among older drivers rather than an increased tendency to get into crashes.
