

## DOR Disclaimers:

### Please Note

The Table(s) attached contain compilations of raw data from tax returns for Personal Income Tax. The data show the number of filers who have claimed the credit and the town they have reported as an address. These totals do not reflect any subsequent changes to totals due to later filings or audits.

### Other notes about the Data

Towns from which fewer than three filers claimed the credit in any given year are excluded from these data to ensure the confidentiality of taxpayer-specific information.
