The House leadership on Beacon Hill decided yesterday afternoon that overrides will not be taken up until the week of July 27th. They want to see some more revenue numbers come in---but the situation gets tighter as weeks go by.

While we wait for that date to arrive, this is not really a waiting period. We would urge you to send a message to your State Rep and State Senator, if you have not already done so. If you have already sent one email, use this week to send another.

Please take this opportunity to go to www.masshomecare.org, click on the mailbag icons, and open the latest elert message on overrides, and follow the instructions. Remember to press 'Cntrl & F5' keys together as you are instructed to do at Step 3.

Since July 5th, a total of 70 users have sent 981 email messages to lawmakers. Let's use this week and next to triple that number.

Take two minutes today to go to www.masshomecare.org and send your elert. Please report any error messages or problems to info@masshomecare.org.
